Paul Marchetti  
43 Kingston St  
Kingston, NY 12401  
845-331-0809

Dear Elmer:

I am writing this letter in support of Dr Adam Sawyer's plan for an indoor shooting range on Prince St in the City of Kingston.

I have lived in Kingston all of my life and it hurts me to say that Kingston's best days seem to be behind us.

I cannot believe the myriad of projects that have been denied in the past few years: the co- generation power plant that Michel Zinn proposed, the condo with parking garage proposed for the old Momtgomery Ward sight in uptown, the Noah hotel downtown, and the Niagra bottling plant in the town of Ulster all come to mind.

In the Safe Shoot project, we have someone who wants to invest approximately \$500,000 to establish a state of the art indoor shooting range, which will be the only facility of it's kind within 25 - 50 miles. It will bring money and jobs into the city and provide a safe place for

those who engage in the shooting arts to meet and practice. I believe the city should support this project and grant approval for it to proceed. Let us not turn away another business that our city desperately needs.

Thank you,

Paul Marchetti

TO WHOM IT MAY CONCERN... PLEASE KNOW THAT I SUPPORT THE SAFESHOOT PROJECT...

MY NAME IS:Edward Altenau  
MY ADDRESS [IS:ealtenau@hvc.rr.com](mailto:IS:ealtenau@hvc.rr.com)

I WANT THE SAFESHOOT PROJECT TO MOVE FORWARD BECAUSE: This project is private money not government money being invested in the city of Kingston. As of now there is very little money except for government money being invested in the city. Also, the entire Broadway area is a high crime area by bring in this business the area will not have an legitimate business but make the area safer. I do not live in the city but since the city is the largest city in the county as well as the the county seat many people visit the city on a daily basis. We come on a regularly to visit the medical offices the government offices, the stores, etc. We would like to visit a safe city not a high crime area. A business like this will be a small step in cleaning up the city.

TO WHOM IT MAY CONCERN... PLEASE KNOW THAT I SUPPORT THE SAFESHOOT PROJECT...

MY NAME IS: Eric DeCanio  
MY ADDRESS IS: 40 Gabrity Rd.  
Highland, NY 12528

I WANT THE SAFESHOOT PROJECT TO MOVE FORWARD BECAUSE:

I believe the facility/project will help the economic growth of the community, I am a firm supporter of local businesses and believe this will help the community.

The other reason I am in support of the project is I am an avid 2nd Amendment supporter, I believe the only way to be a safe & accurate marksmen is practice, practice, practice, and what better way to promote safety & accuracy then to have a local indoor range.

I am looking forward to having the facility to use myself and to teach my children & wife proper firearm handling and marksmanship, all while supporting a local business & our 2nd Amendment.

Thank you for your time,  
Eric DeCanio

TO WHOM IT MAY CONCERN... PLEASE KNOW THAT I SUPPORT THE SAFESHOOT PROJECT...

MY NAME IS: Michael Baum

MY ADDRESS IS: 1 honolulu drive new paltz ny 12561

I WANT THE SAFESHOOT PROJECT TO MOVE FORWARD BECAUSE:

I would like access to a safe indoor proficiency improvement practice range / safety training facility. It is important for those of us who want to own firearms responsibly to have the support and opportunity to do so.

Crime Statistics

230 West 20th Street, New York, NY, 10011-3502  
(212) 741-8211

The 10th Precinct services Manhattan's residential communities of Chelsea and Clinton South. The Precinct is .93 square miles and has 25.45 miles of roadway. Inside the precinct boundaries are two (2) Housing Authority Developments (Fulton & Chelsea Elliott Houses), the Jacob Javits Convention Center, Chelsea Piers, West Side Heliport, Circle Line and World Yacht Cruise Lines, Chinese Consulate, and the Fashion Institute of Technology. Additionally, located within the confines of the Tenth Precinct are the media headquarters of the New York Daily News, cables' New York 1 News, PBS Channel 13, and Associated press

The precinct is home to over two hundred (200) art galleries as well as many of New York City's most popular nightclubs. The recently open Highline park on the old CSX elevated railroad provides a great walking tour through our westside neighborhood

All figures are subject to further analysis and revision. All degrees of rape are included in the rape category. As of January 2013, complaints occurring within the jurisdiction of the Department of Correction have been disaggregated from the borough and precinct crime totals and are displayed separately on the Department of Correction CompStat page. Crime statistics reflect New York State Penal Law definitions and differ from the crime categories used by the FBI Uniform Crime Reporting Program. All Crime statistics are translated to Uniform Crime Reporting categories for submission to the UCR Program.

All figures are subject to further analysis and revision. All degrees of rape are included in the rape category. As of January 2013, complaints occurring within the jurisdiction of the Department of Correction have been disaggregated from the borough and precinct crime totals and are displayed separately on the Department of Correction CompStat page. Crime statistics reflect New York State Penal Law definitions and differ from the crime categories used by the FBI Uniform Crime Reporting Program. All Crime statistics are translated to Uniform Crime Reporting categories for submission to the UCR Program.

# **Coyne Park Rifle & Pistol Range**

771 McLean Avenue, Yonkers, NY

Owned and operated by the city of Yonkers  
Department of Parks, Recreation &  
Conservation.

[2nd Precinct Sector Map \(pdf\)](#)

[2nd Precinct Historical Part 1 Crime Data - 1995 thru 2010](#)

[2nd Precinct Historical Calls for Service Data - 2006 thru 2014](#)

**The Second Police Precinct** is located at [441 Central Park Avenue](#) in the southeast section of the city. Staffed by 74 sworn police officers – including Commanding Officer Captain, three lieutenants, eight sergeants and 62 patrol officers – the precinct maintains an area of approximately five square miles.

The environs of the 2nd Precinct, home to more than 65,000 residents, is also home to a multitude of retail and entertainment establishments, including the ultra-modern Cross County Shopping Center (which will complete a \$330 million renovation in 2012), the Empire City Casino, and the bustling McLean Avenue and Yonkers Avenue business corridors.

Festivities abound in the precinct's jurisdiction as well, as the Annual Yonkers Columbus Day Parade, the McLean Avenue St. Patrick's Day Parade and the McLean Avenue Street Festival all fill the neighborhoods with special celebrations.

The 2nd Precinct is also centrally located in relation to the city's many travel arteries, with proximity to the NYS Thruway, the Cross County Parkway, the Bronx River Parkway and the Saw Mill River Parkway. The Hillview Reservoir also sits within the boundaries of the precinct, as does Sarah Lawrence College which is nationally recognized as one of the premier centers of higher learning.

The men and women of the 2nd Precinct strive, through diligent patrol and a forward-thinking mindset toward public safety, to insure an exalted quality of life for residents, merchants and visitors alike.

#### **Second Precinct Police Community Council**

Communication remains a lofty priority for the 2nd precinct, as continual community outreach is maintained through various meetings. The 2nd Precinct

Police Community Council, presided over by Lorraine Palais, has been an invaluable asset to the precinct, and has been a stalwart of support. The Council meets on the 3rd Tuesday of each month.

**Second Precinct Community Council**

President Lorraine Palais

Vice President Janet Donaghy

Secretary Dorothy Weisslander

## 2nd Precinct Calls for Service History

Calls for Service History 2006 thru 2014

### 2nd Precinct Calls for Service History

Year	Citywide Calls	3rd Pct Calls	% of Total Calls
2006	92,692	30,876	33%
2007	98,745	32,623	33%
2008	95,407	31,811	33%
2009	90,790	31,500	35%
2010	88,311	28,311	32%
2011	85,513	28,072	33%
2012	81,323	28,148	35%
2013	86,102	28,905	34%
2014	84,880	28,669	34%

**What are Calls for Service:** calls-for-service (CFS) is data from the YPD CAD system. CAD stands for Computer Aided Dispatch. CAD is a highly specialized application that allows for the coordinated communication, assignment and tracking of Police Department resources in response to citizen and police generated calls-for-service.

## Mitchel Athletic Complex

A 49-acre complex centrally located in the "Hub" area just west of Nassau Coliseum and opposite the Long Island Children's and Aviation museums, Mitchel hosts a variety of local high school and collegiate athletic events, as well as local sports leagues.

**The Mitchel Athletic Complex plays host to a variety of athletic events, including local track and field competitions.**

The facility includes a track and field stadium (nine lanes) with an oval containing a new synthetic field suitable for football, soccer and lacrosse.

In addition, there are four fields available for softball and two for baseball; these fields can also be used for soccer, football or lacrosse. All fields require a permit for use (fee required). The public may use the track during times when no events are scheduled. Please call for information about facility availability.

Duke University lacrosse coach John Danowski told Newsday that Mitchel's lacrosse field is the "best public venue around." Danowski, the former coach at Hofstra University, was at Mitchel Athletic Complex for a game between his team and Dartmouth University.

The 20th-century history of Mitchel tracks America's emergence as a world power. Beginning with World War I, the area in and around Mitchel served as a military base. This included the establishment of Camp Mills, which became the training ground for the 42nd Infantry Division. By the 1930s, Mitchel had become a major Army Air Corps base, while Long Island itself became a center of the fledgling aviation industry, led by manufacturers such as Grumman and Republic.

The military heritage of the area can still be seen in the surviving aircraft hangers and military buildings on the north side of Charles Lindbergh Boulevard by the Children's and Cradle of Aviation museums and Nassau Community College. Beginning the 1960s, the County assumed control of the property and over the next two decades began to create the recreational facilities that are enjoyed by the public today. In preparation for the 1998 Goodwill Games, which brought 1,500 athletes from 60 countries to Nassau County and New York City, the facility

**Mitchel Athletic Complex**

received an additional investment boost of \$22 million that included renovation of the stadium and construction of the current field house and other athletic fields.

<https://www.nassaucountyny.gov/2642/Mitchel-Athletic-Complex>

The Mitchel Athletic Complex also houses the **Nassau County Rifle & Pistol Range**. [Click here](#) for more information.

The beautiful stadium at Mitchel Athletic Complex provides recreational opportunities for track and field, lacrosse, soccer and football teams.

## Rifle & Pistol Range

The Nassau County Rifle and Pistol Range is the only such facility open to the public in the county. There are six ranges and 30 individual shooting points available, and targets can be set from 5-30 yards. Hunting safety classes are also offered. The range is located at the Mitchel Field Athletic Complex in the "Hub" area, just west of the Nassau Coliseum.

The range received an extensive renovation over the summer of 2005 that included lead removal from the ranges and the addition of a new roof and additional parking.

- The only indoor range in Nassau County open to the public
- Excellent lighting and air system to ensure a safe shooting environment
- The range accommodates rifles, shotguns, and handguns
- Each range is 30 yards in length w/target holder that can be from 3 to 90 feet
- Plenty of free parking
- The range is available for use by certified clubs
- The range has NRA certified instructors
- The range does not rent any guns
- Black powder firearms permitted

No membership fee is required, but daily admission fees are charged. View [Leisure Pass](#) information.

### Daily Admission Fees

Resident Adult (17&over) w/leisure pass	\$10

Re: Proposed Indoor Shooting Range in Kingston

Dear Members of the Planning Board:

Thank you for the opportunity, once again, to provide input on Dr. Adam Soyer's proposal to develop an indoor shooting range in Kingston. I fully support Dr. Soyer's plan to create a safe, environmentally compliant and much needed place for shooting enthusiasts in Ulster County to target shoot.

At the last Public hearing that was held at Kingston City Hall in December 2015, I listened with interest as many speakers were both for and against the proposed project. I think the Planning Board did an excellent job of giving everyone who was interested an opportunity to present their position. There are two issues that I would like to ask you to consider in your deliberations regarding the proposed shooting range.

The first issue as mentioned by one gentlemen who spoke near the end of the program requested that the Planning Board look into several of the statements that were made by the anti project group. Several of their comments were at best misleading and at worst just not true. I have faith in the integrity of the Planning Board process and I am sure that, as a Planning Board, you will sort out the truth from the impassioned but sometimes misguided rhetoric.

The second issue that I would like to ask you to consider is what I will call the "us verses them" philosophy that was mentioned several times at the last public hearing. Specifically, City of Kingston residents and the "outsiders". The City of Kingston has come a long way since I have lived in Ulster County for almost 27 years now and is currently experiencing a much welcomed rejuvenation. Kingston, or any city for that matter, can only be vibrant and economically successful if it receives the support from all of it's surrounding communities. An isolationist or protectionist attitude, in the long run, does not serve anyone's best interest.

Thank you for your consideration.

*Frank G. Ostrander III*

## Cahill, Suzanne

**From:** David K. Bondarenka <davidbondarenka@gmail.com>  
**Sent:** Sunday, February 07, 2016 9:59 AM  
**To:** Cahill, Suzanne  
**Subject:** 90 Prince Street

City of Kingston Planning Director,

Ms. Suzanne Cahill,

Please submit the following letter to all members of the planning board for review.

I have been a resident of Ulster county for over 30 years and have had a New York State Pistol Permit for over 10 years. I am also a licensed Pharmacist, Eagle Scout, and past president of a local Ulster County sportsman's club. While I do not reside within the City of Kingston, I am employed here, do business here, and have family members who live and own property here.

I fully support Dr. Soyer's proposal to reopen an indoor shooting range and firearms safety training facility at 90 Prince Street, the same property that previously housed a similar facility.

As our Sheriff recently reminded everyone when he stated that law abiding citizens in NY who are legally licensed to carry pistols should do so in order to ensure the safety of ourselves and others, so long as we "are comfortable and proficient with our weapon". Regular practice and training are necessary to maintain this standard.

Given the high concentration of unemployment coupled with the influx of gang and drug violence that is spreading throughout this city, I personally know of several residents are looking for ways to safely protect themselves. Unfortunately there is no where for most of them to safely learn how to properly handle firearms in a timely manner. At present there is no comparable facility in Ulster county to the one proposed for 90 Prince Street. While there are many outdoor ranges at the several dozen sportsman's clubs throughout the county, all are privately owned, and have limited membership, sometimes waiting lists of more than 1 year. Most City of Kingston residents have no way to train sufficiently with a firearm if they make the choice to be able to protect themselves, their loved ones, and their property. Meanwhile criminals are burglarizing their next door neighbors houses, selling drugs across the street, and murders and illegal gun sales are occurring within blocks.

The proximity to the YMCA and Kingston High School is irrelevant, and if anything this facility and the improvements Dr. Soyer is planning on making will only help to reduce crime in the surrounding area as it will be replacing a vacant building with a business that will attract law patrons who by their nature tend to be honest and law abiding citizens that are more concerned about and often put the safety and well being of others above themselves e.g. Licensed Pistol Permit holder, Law Enforcement Officers, etc..

Those at the High School, The YMCA, and the residents of The City of Kingston have bigger things to fear about that a bunch of legally licensed law abiding citizens and Law Enforcement Officers. I respectfully ask that the Planning Board do everything in their power to allow this project to move forward.

Sincerely,

David K. Bondarenka, Pharm.D.

Ok. Thanks. I will be away from Feb 4 to Feb 11. Will let people know, who inquire, that the upcoming meeting is not about the use of the building.

Would you say that letters from people are in favor or not for the gun range.?

Will do. BYW – we have been receiving a lot of letters which we are assembling to provide to our Board. The application in front of the Board on Monday evening is only to combine two parcels which Dr. Soyer owns that are adjacent, the building and the parking lot. As I have stated in the past, this lot line deletion is something that should have been done a long time ago when his medical office occupied the building. That way the parking area would always be attached and useable to any use of the building and not available for a separate sale rendering the building with no parking. At our meeting next week, we are not going to discuss any use of the building but will be providing the Board with all communications none the less.

Subject: Shooting range

To: "[debbbrownward9@gmail.com](mailto:debbbrownward9@gmail.com)" <[debbbrownward9@gmail.com](mailto:debbbrownward9@gmail.com)>

Cc:

As a long time resident of Kingston and a constituent of Ward 9 since 2003 I urge you to support Adam Soyer's proposed shooting range on Hasbrouck Ave. The idea just make sense. The best way to suppress illegal guns is to start with education. The importance of people having the opportunity to learn about the use and respect for firearms given today's circumstances is the intelligent thing to do . The local sheriff has suggested all people with carry permits do just that. It makes sense to give those people the chance to refresh what they know and to brush up on the use of firearms. I personally would prefer people carrying firearms near me to be at the top of their game. The problem in this country is with illegal firearms, not with trained, licensed citizens being armed.

The proximity to the high school is hogwash. A properly maintained and secure shooting range could be in the basement of the school and it wouldn't matter. The police station, with firearms , use to be across Broadway

and is now only about a mile away. The key is that it's a secure facility. Having worked with Adam Soyer @ St. Francis Hospital in Poughkeepsie served to impress on me that anything he's affiliated with would be properly maintained and the security would be way more than needed. Nobody had to worry about drugs being in his office when it was that close to the high school. It also baffles me with the fact that we in Kingston would rather have one more empty building than a viable tax paying business. It makes almost as much sense as taking parking spaces from tax paying businesses for a "bike lane", or fighting the railroad that brings people to local businesses. This leaves me scratching my head.

Thank you

Gary M DuBois

**To:** Cahill, Suzanne  
**Cc:** Elmer.LeSuer@gmail.com  
**Subject:** My Letter For Shooting Range Meeting!

TO: City Of Kingston Planning Director, Suzanne Cahill  
CC: Elmer LeSuer

I feel that it is necessary for me to put my input into this meeting. I want to state that I have lived in the Town Of Ulster since 1970. I have sent two children through the Kingston School System and have been active in scouting, as well as shooting sports. I have been a member of Morgan Hill Game Association Hurley, NY since 1985. My sons both were involved in sports shooting with me and learned the proper use of firearms.

It is important that the use of firearms and the decisions of the reasonableness of these matters are for people that live in the area.

It is not for people without the knowledge of how to use a gun or what sports activities with them means. The upstate area is predominately made up of people that like the outdoor hunting and fishing activities.

The people from the NYC boroughs do not understand any of this.

**Subject:** I support the shooting range on Prince Street

I am writing in support of the shooting range on Prince Street.

With thousands of people in Ulster County owning firearms, I believe an indoor range would be an asset to the City. I see this business as catering to legal/responsible gun owners who not only understand their responsibilities to behave accordingly, but also understand the possible consequences if they don't. It would provide a safe place to enjoy shooting, practicing, and improving competence, for seasoned shooters and for beginners.

I believe this building was previously used as a firearm training facility, so I do not see why there would be a problem with that use again. I also believe the law against shooting in Kingston is meant to mean no shooting in the open, not in an indoor range (such ranges even exist in NYC).

Thank you for your consideration.

Dear Ms. Cahill, City of Kingston Planning Director:

Please submit this letter to all members of the planning board for their review.

I have been a resident of Ulster County for 27 years and a New York State Pistol Permit holder for 37 years.

I support Dr. Soyer's proposal to develop an indoor shooting range. Firearm safety is of paramount importance, and at present there is no comparable facility in Ulster County. I have learned firearm safety from NRA training classes and other firearms enthusiasts. Pistol permit holders need to be trained in the proper use of their firearms, and be able to practice these skills under professional supervision. I know several firearms enthusiasts, myself included, who would regularly use such a facility.

Gun violence is unfortunately a modern dilemma forced upon us by the criminals in our society, and it is of the utmost importance that pistol permit holders be trained and practiced with proper firearm safety. The proximity to the YMCA and Kingston High School is irrelevant. This facility is planned and designed to be secure to protect all from harm... Modern fans and filters remedy the concerns over lead pollution, and insulation and sound deadening materials prevent noise pollution.

I totally and without reservation support Dr. Soyer's proposal for a firearms training facility.

Sincerely,

*Eugene C. Waterbury, Jr.*

**Subject:** firing range proposal in Kingston

City of Kingston Planning Director,

Ms. Suzanne Cahill,

Please submit this letter to all members of the planning board for review.

I have been a resident of Ulster county for over 35 years and a county pistol permit holder for over 15 years.

I support Dr. Soyer's proposal to develop an indoor shooting range. Gun safety is paramount and necessary. At present there is no comparable facility in the county. I have learned the most about gun safety from prior police officers and state troopers. Pistol permit holders need to be taught and trained for proper use of their firearms and to be able to practice these skills under professional supervision. I would plan to personally use such a facility.

The proximity to the YMCA and Kingston High School is irrelevant. This facility is planned and designed to be secure to protect all from harm. Modern fans and filters remedy the concerns over lead pollution. Insulation and sound deadening materials prevent noise pollution.

Gun violence is unfortunately a modern dilemma forced upon us by the criminals in our society. They do not go to these training facilities!! It is far safer to have pistol permit holders trained and secure and practiced with how to use their firearms.

I totally and without reservation support Dr. Soyer's proposal for a firearms training facility,

Leonard K. Pickard, MD.

Dear Planning Board members.

I am in favor of the proposed indoor shooting facility. It will be used by licensed gun owners and is sorely needed in our community.

I and a retired Sergeant/Station commander, New York State police for 22 years also served as Chief of the T/Lloyd Police and the T/Rosendale Police for 6 years.

Licensed gun owners are not part of the gun violence problem.

Sincerely,  
Michael DiBattista

**Subject:** Shooting range, non support of the Kingston Citizen group

Suzanne,

I believe with proper review and compliance with the City of Kingston rules, business should be encouraged to establish in the City of Kingston. I also believe that any business that wants to come into the city and needs special consideration, that consideration should be given. The shooting range is no exception. I have an opinion about the shooting range, however, my opinion should not be a determining factor that influences the City of Kingston's decision as to allow it or not.

To allow a one sided group to discourage growth within the City of Kingston is tragic. I may agree with some of the points this group expresses, I do not agree with most including boasting about Killing a deal to bring a business into our community. How many more businesses can we discourage before we are not given the the opportunity for any size business to establish here because it is not worth the time or effort. By our community I am referring the 51 out of 51 years I have lived here.

I am writing this in response to the newspaper article today and after looking at their website encouraging people to write to you giving their opinion, I did so. I am a Kingston Citizen and do not my views to be considered part of Kingston Citizen.org. Please provide a response you received this email.

Regards,  
Mike Naccarato

Hello,

I am writing to voice my support of the proposed shooting range business on Prince Street. The benefits I see are bringing in new business into midtown, and that will also benefit other businesses in the area. I believe if opened, it would enhance the outside appearance of the building/area. I see this business as catering to legal/responsible gun owners who not only understand their responsibilities to behave accordingly, but also understand the possible consequences if they don't. It would provide a safe place to enjoy shooting, practicing, and improving competence, for seasoned shooters and for beginners. Everyone sees the controversy about this proposal, and knows that if this business is allowed, there will be MANY watchful eyes on what happens. I think opinions of the KingstonCitizens.org, are "reaching for straws" to drum up opposition. I feel that it was a very different intention when creating the 1984 law of no shooting in Kingston, and their argument is stretching that intent. I also feel the legal responsible gun owners who would visit, would pose no danger to any of the public in the area. I think this argument is based on a lack of understanding of the responsibilities and care that responsible gun owners abide by. I don't see this as people walking around, waving guns in plain view, or creating dangerous situations for the rest of the public. I would also like to mention that I am a city resident, a midtown resident, and my family often visits businesses in the area, the YMCA, and Midtown Center, and I have high hopes for allowing this proposed business to move forward. I ask that my opinions be submitted to the planning board members.

Thank You

Mark Porter

**Subject:** Proposed shooting range in Kingston, NY

Hello,

My name is Phyllis & I would like to show my support FOR the proposed gun range on Prince St. in Kingston, NY.

I have met Dr. Soyer, his wife & their son; they are upstanding & respectable people. Dr. Soyer has done his homework & I do not believe he would propose anything that would be detrimental to the neighborhood.

As a pistol permit holder I love the idea of a safe, clean environment to practice & hone my shooting skills no matter the weather. I understand the proposed facility would have instructors available which is not available at any gun club. This is a major bonus; obviously a better, smarter shooter is a safer shooter.

I firmly believe that a 'heavier gun presence' in that part of Kingston is not a negative as the opponents are saying. Broadway & that area has long been noted for it's unsavory atmosphere. This shooting range may be just what the area needs to bring back a safer neighborhood. I imagine if approved, Dr. Soyer would create jobs which would obviously help the economy & maybe boost morale & sales for the businesses located in that area.

For the record, I am a middle aged, college educated, employed professional in Ulster County & wish the Soyers the best of luck in this venture & look forward to visiting their shooting range in the near future.

Respectfully,

Phyllis Tabler  
Mt. Tremper, NY

**Subject:** Indoor shooting range

I think the Kingston planning board should approve this shooting range. With the increase number of people getting pistol permits, they need a place to safely practice shooting so they are safe in the use of these firearms. It is like learning to drive a car, the more you drive the safer and more skilled you become. This range give the shooting public a safe place to shoot instead of anywhere alone the road .

City of Kingston

Attn: Mayor Steve Noble, Planning Director Suzanne Cahill,  
Planning Board Members  
420 Broadway  
Kingston, NY 12401

1/12/2016

Dear Mayor Steve Noble, Suzanne Cahill and Planning Board Members,

This letter is sent to convey my support for the proposed indoor shooting range on Prince Street.

New York has some of the strongest gun laws in the nation, which I support fully. My license to carry a pistol was granted in May of 2012 after a very stringent application process, review and final approval by Ulster County Judge Hon. Donald A. Williams.

It is with great care and responsibility that I went through the effort needed to obtain my license. It is unfortunate, however, that without the availability of a local indoor range, I do not believe that I have the skills needed to actually carry my pistol.

Several of my friends and acquaintances are also licensed pistol carriers and have obtained the skills needed to carry on a regular basis. In the event of an emergency situation, I would prefer a well-trained licensed carrier to be at my side. It would not be a liability or a threat, but an asset.

Many oppose guns. In a safe world they don't need to exist. But it is very important that law enforcement and people who own guns legally have a place to go to learn how to use them safely, properly and efficiently.

Please give serious consideration to supporting the proposed indoor shooting range.

Respectfully submitted,

Margaret Bryngelson

## KINGSTON INDOOR GUN RANGE

There is no danger in eligible Pistol permit holders using a indoor range.  
There are less shootings at gun ranges that at police Stations, by far, and there are less killings at police stations, by far, than at Gun Free Zones.

Gun Free Zones are a disastrous failure, to name a few The Chattanooga Recruiting Center, Gun Free; Charleston AME Church, Lafayette Theater, and the Gun Free, Oregon Community College Shootings.

We put every person who enters a Gun Free Zone in Danger. Our U.C. Sheriff, Paul Van Blarcum understands the Danger and wants every Eligible permit holder to carry their gun. All Concealed carry permit holders take an extensive 8 hour safety course required in NY State.

The School System is compromising the safety of students by trying to keep in the Good Graces of the Three Men In The Room, known as the Three Amigo's ; Excuse me its now only 1 Amigo, one man in a room.

The collective Consolidated School System has a history of being against Pro Rights Second Amendment People, and have been out of touch with reality for some time. They never Complain about Unfunded Mandates from Albany, use ancient Socialists Mona soara Montessori schooling as used at Washington Ave School, gladly accept Common Core, and have the highest Dropout rate in History. And the highest cost per student in History.

School Boards always have an excuse, the latest is poverty lowers Grades, except poverty was worse in 1929 yet the students did well!!.

In Closing don't trust the School Board Gang of 8. We have a disastrous failure with Gun Free Zones. Eligible Permit holders are not a danger to the Public.

Rec'd 1/4/16 

12/30/2015

Suzanne Cahill  
Planning Director  
Kingston City Hall  
420 Broadway  
Kingston, NY 12401

Dear Ms. Cahill:

My name is Steven Barresi. I am a Certified Registered Nurse Anesthetist at the Health Alliance Hospitals. I've known Dr. Adam Soyer for over sixteen years. We have worked together in both Health Alliance hospitals since 1999 taking care of the people of Ulster County. During this time he has proven to be a caring and dedicated orthopedic surgeon and he has a great reputation among the Medical Staff.

It has come to my attention that Dr. Soyer is hoping to open an indoor shooting range at his property on Prince Street in Midtown Kingston. I fully support him in this endeavor. He has put a lot of time and research into this project and I know the design and operation of this facility will conform to any local, state, or federal laws regarding the safe handling of firearms.

At this time Ulster County residents who have pistol permits, like myself, have very few places to go to practice their shooting skills. Like any fine motor skill, shooting a pistol requires practice to be proficient. This extremely convenient Midtown location will help all Ulster County residents with pistol permits maintain their proficiency without traveling long distances, and outside of Ulster County.

In addition, I sincerely believe that Dr. Soyer's proposed range will help other small businesses in Midtown. Customers who shoot at the range are likely to stop for something to eat at one of the local restaurants or shop at one of the markets. This will bring outside dollars to Midtown, which is always looking for successful businesses.

Lastly, I believe that the security concerns raised at the public hearing are unfounded. People who come to shoot at pistol ranges are law abiding citizens. They are not criminals. They would not have valid licenses otherwise. Firearm safety is always paramount among shooting enthusiasts. People come to practice their craft, and then they leave. I have never heard of any violent crime occurring in the vicinity of firearm ranges. I believe it will be one of the safest places in Midtown.

Thank you very much for considering my opinion on this matter,

Steven Barresi, CRNA

City of Kingston Planning Board  
City Hall  
420 Broadway, Kingston, New York 12401

Re: Proposed Indoor Shooting Range in Kingston

Dear Members of the Planning Board:

I have read with interest the articles in the Daily Freeman about Dr. Adam Soyer's proposal to develop an indoor shooting range in Kingston. I fully support Dr. Soyer's proposal to create a safe, environmental compliant and much needed place for shooting enthusiasts in Ulster County to target shoot during the winter. Especially during this time of economic challenges, to have a local entrepreneur willing to invest up to almost half a million dollars in a state of the art shooting facility will be much welcomed and enthusiastically supported by Ulster County sportsman [ and law enforcement] as well as provide the City of Kingston an opportunity to increase it's tax base and create at least a few jobs.

I am a member of the Marbletown Sportsman's Club [ "MSC" ] . The MSC is one of 23 Sportsman's Clubs in Ulster County under the umbrella of the Ulster County Sportsman's Federation. Our clubs collectively enjoy the rural tradition of hunting, shooting, and fishing. We are also very active in our communities with youth programs, hunter safety and training, and women's shooting programs.

Many of us are veterans who learned how to shoot various firearms in the military and continue to enjoy target shooting. Having a place to shoot, during the winter months, will provide all of us with an opportunity to improve our shooting skills in a safe and legally compliant manner.

All of us in and around the Kingston area know what kind of work Scott Dutton does. With Scott's involvement in this project you can be assured that the finished product will not only meet specific safety requirements but exceed them.

Thank you for your consideration.

## Clarification of Indoor Shooting Range References (19 April 2016)

Inbox  
x

**Renate Soyer**

6:24 AM (16 hours ago)

to me

Dear Common Council Members,

In an effort to clarify references made to indoor shooting ranges at Tuesday night's public hearing, I'm forwarding to you the following information:

1) **Green Island Shooting Range:** Like Kingston, Green Island had a law prohibiting the discharge of firearms within town limits. Unlike Kingston, its town code specifically prohibited indoor ranges for commercial use. The Mayor - Ellen "I don't like guns" McNulty - set a precedent in NYS by supporting the Village Board of Trustees' unanimous decision to amend Green Island's code to allow Todd Grimm to proceed with his American Tactical Systems project, providing the permitted public a safe place to gain and maintain shooting proficiency.

**2) West Side Gun & Pistol Range; Woodhaven Rifle & Pistol Range; and Coyne Park Rifle & Pistol Range:** These indoor shooting ranges were referenced because of their proximity to schools, businesses, etc., and because they're located in densely populated urban settings (Manhattan, Queens/Brooklyn border and Yonkers, respectively). Below are links to Google Street View, which allows a 360 degree panorama of the ranges and their environs:

**West Side Pistol Range**, 20 West 20th Street, New York, NY. Shooting range only, open to members and permitted public. Hours of operation Monday-Friday 9am-9pm, Saturday 9am-5pm, Sunday 9am-3pm:

<https://www.google.com/maps/place/20+west+20th+street+new+york/@40.7401993,-73.9922231,3a,75y,221.67h,90t/data=!3m7!1e1!3m4!1sB6dr7HmqGsMGaoykHtdg!2e0!7i13312!8i6656!4b1!4m2!3m1!1s0x0:0x4d6b9e66d97b76f6!6m1!1e1>

**Woodhaven Rifle & Pistol Range**, 74-16 Jamaica Avenue, Woodhaven, NY: Shooting range with retail component, members only. Hours of operation Monday & Friday 12pm-6pm, Tuesday Wednesday & Thursday 12pm-8pm, Saturday 10am-5pm, Sunday closed. Please note that Franklin K. Lane Educational Campus, which is comprised of several high schools, is located directly across Jamaica Avenue:

<https://www.google.com/maps/place/74-16+jamaica+avenue+woodhaven+ny/@40.6912789,-73.8674479,3a,89.6y,197.57h,82.83t/data=!3m6!1e1!3m4!1sQlnBpngNlkQ27FDef3ML7g!2e0!7i13312!8i6656!4m2!3m1!1s0x0:0x41970553cca42701!6m1!1e1>

**Coyne Park Rifle & Pistol Range**, 771 McLean Avenue, Yonkers, NY: Shooting range only, open to members and permitted public. Hours of operation Monday Wednesday & Thursday 5pm-10pm, Friday 10am-10pm, Saturday & Sunday 12pm-6pm. This facility is owned and operated by the city of Yonkers and located within the Coyne Park campus. Please note the medical offices located directly across McLean Avenue.

<https://www.google.com/maps/place/771+mclean+avenue+yonkers+ny/@40.9082807,-73.8738623,3a,75y,172.03h,90t/data=!3m7!1e1!3m4!1sijBwokLh189mT5sf3BPUPQ!2e0!7i13312!8i6656!4b1!4m2!3m1!1s0x0:0x68a3ad36552f0955!6m1!1e1>

Here's a link to some promotional photos of **Coyne Park**. Please note the toddlers' playground and little league ball field located within yards of the range:

<https://www.google.com/maps/uv?hl=en&pb=!1s0x89c2f2ef77877d27:0xfc4ee5c131c1bbde!2m5!2m2!1i80!2i80!3m1!2i100!3m1!7e115!4shttp://soyosunset.yuku.com/topic/2486/Coyne-Park!5scoyne+park+rifle+and+pistol+range+yonkers+-+Google+Search&imagekey=!1e1!2shttp://i221.photobucket.com/albums/dd3/GROSSMS/Southeast/Coy06.jpg&sa=X&ved=0ahUKEwiZ-bbkrqDMAhVFTSYKHa30BgYQoioleDAK>

Lastly, I understand that several opponents of Safeshoot thought it inappropriate to include examples of existing NYC indoor shooting ranges in high density urban settings because the City's police presence is "so much larger." While NYC is served by 41.7 officers per 10,000 people to Kingston's 31.8 officers per 10,000 people, NYC's population density per square mile is 32,509, more than 10x Kingston's at 3,189. However, population - or its density - isn't the singular factor in determining the size and scope of a city's police force (e.g., Washington DC [pop. 659,000], Chicago [pop. 2.7 million] and Baltimore [pop. 622,000] all have higher police officer per capita rates than NYC despite their much lower head counts.)

#### Police Employment, Officers Per Capita Rates for U.S. Cities

##### **Police Employment, Officers Per Capita Rates for U.S. Cities**

View law enforcement employee totals for more than 600 U.S. cities.

Like many large cities, NYC has its share of crime, but in other ways it's anomalous: It's the international hub of finance; it's home to the United Nations and many high-profile landmarks; it's connected by dozens of bridges and tunnels and an extensive, labyrinthine public transit system. It's also the #1 target for terrorism on American soil. Given the variety, magnitude and gravity of its demands, one may argue that the NYPD is significantly over-utilized and understaffed.
